VIA FACSIMILE (3 pages)

In the above-captioned application, small entity status was established in good faith and one or more small entity fees were paid in good faith. It has been discovered that the ownership structure of the patent owner at the time small entity status was established may have been such that the application did not qualify for small entity status, in which case the small entity fee(s) was paid in error. Request hereby is made that any error be excused in view of the following submission and itemization. This paper is also being submitted as a notification of a loss of small entity status.

An itemization and calculation of the deficiency is as follows:

Date	Fee Involved	Fee Paid	Deficiency
03/1/2004	Application Filing Fee	\$385	\$615
	Fee for Total Additional Claims	\$18	\$82
	Surcharge	\$65	\$65
Total Deficiency			\$762.00

The deficiency owed for each previous fee erroneously paid as a small entity is the difference between the current fee amount (for other than a small entity) and the amount of the previous erroneous (small entity) fee payment. Where there has been a fee decrease, the deficiency owed is equal to the amount (previously) paid in error

Enclosed is a credit card payment form covering the total deficiency owed. If any additional fee is due, the Commissioner is hereby authorized to charge same to Deposit Account No. 18-0988.

Respectfully submitted,
